22,5X90 – 23X120

Vermont is manufactured in glazed porcelain in which up to 30 different veined patterns and 2 engravings for each colour, produced and mixed keeping unchangeable aesthetic and resistance features.

VERMONT

22,5X90 – 23X120

Brushed surface to reproduce the effect of the real aged woods.

OAK

22,5X90 – 23X120

Oak became the new standard in the world of ceramic floors with wood effect using latest system of digital print on ceramics.

- 1. Oak Taupe 22,5x90
- 2. Oak Tortora 23x120

OAK

22,5X90 – 23X120

Presenting 3 new colours of this impressive ceramic wood collection using latest system of digital print on ceramics.

- 1. Oak White 22,5x90
- 2. Oak Dark 23x120

OAK

Oak is a classic ceramic wood pattern manufactured in glazed porcelain and keeps unchangeable aesthetic and resistance features.

1.

Obtained with the digital print technology, these surfaces, are really different from one another. This gives to the floor the utmost refinement and natural effect. Up to 25+ different veined patterns for each colour are produced and mixed.

2.

3.

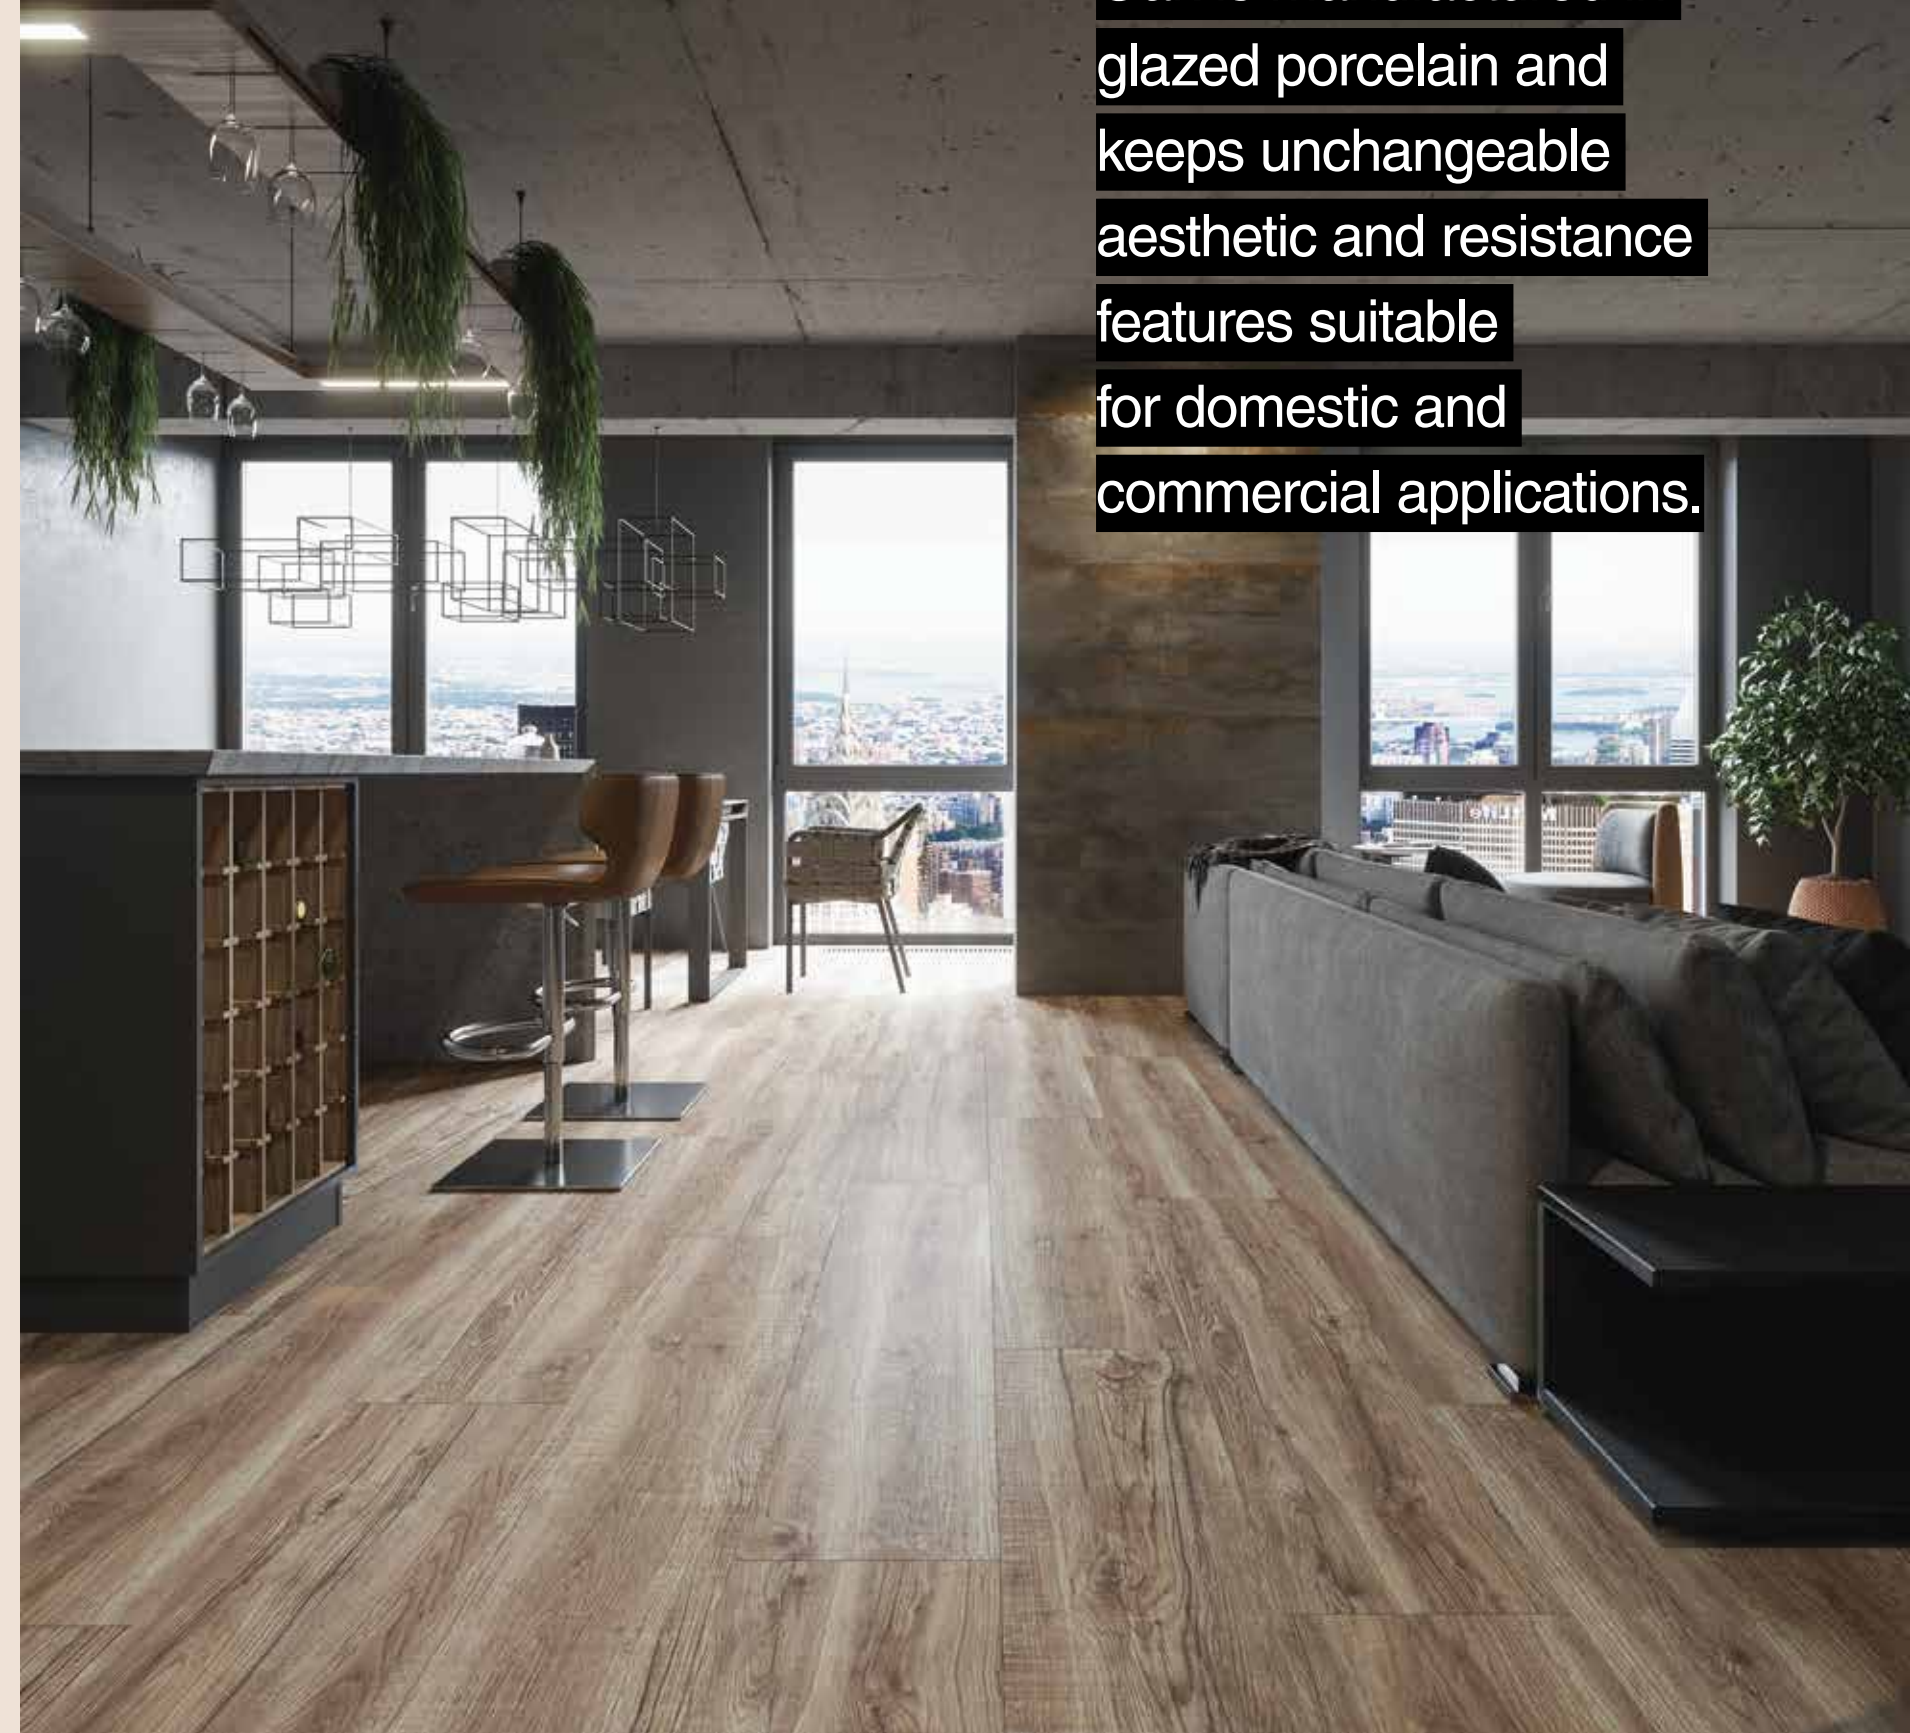

4.

- 1. Oak Cream 23x120
- 2. Oak Honey 23x120
- 3. Oak Brown 22,5x90
- 4. Oak Grey 22,5x90

22,5X90 – 23X120

Oak is manufactured in glazed porcelain and keeps unchangeable aesthetic and resistance features suitable for domestic and commercial applications.

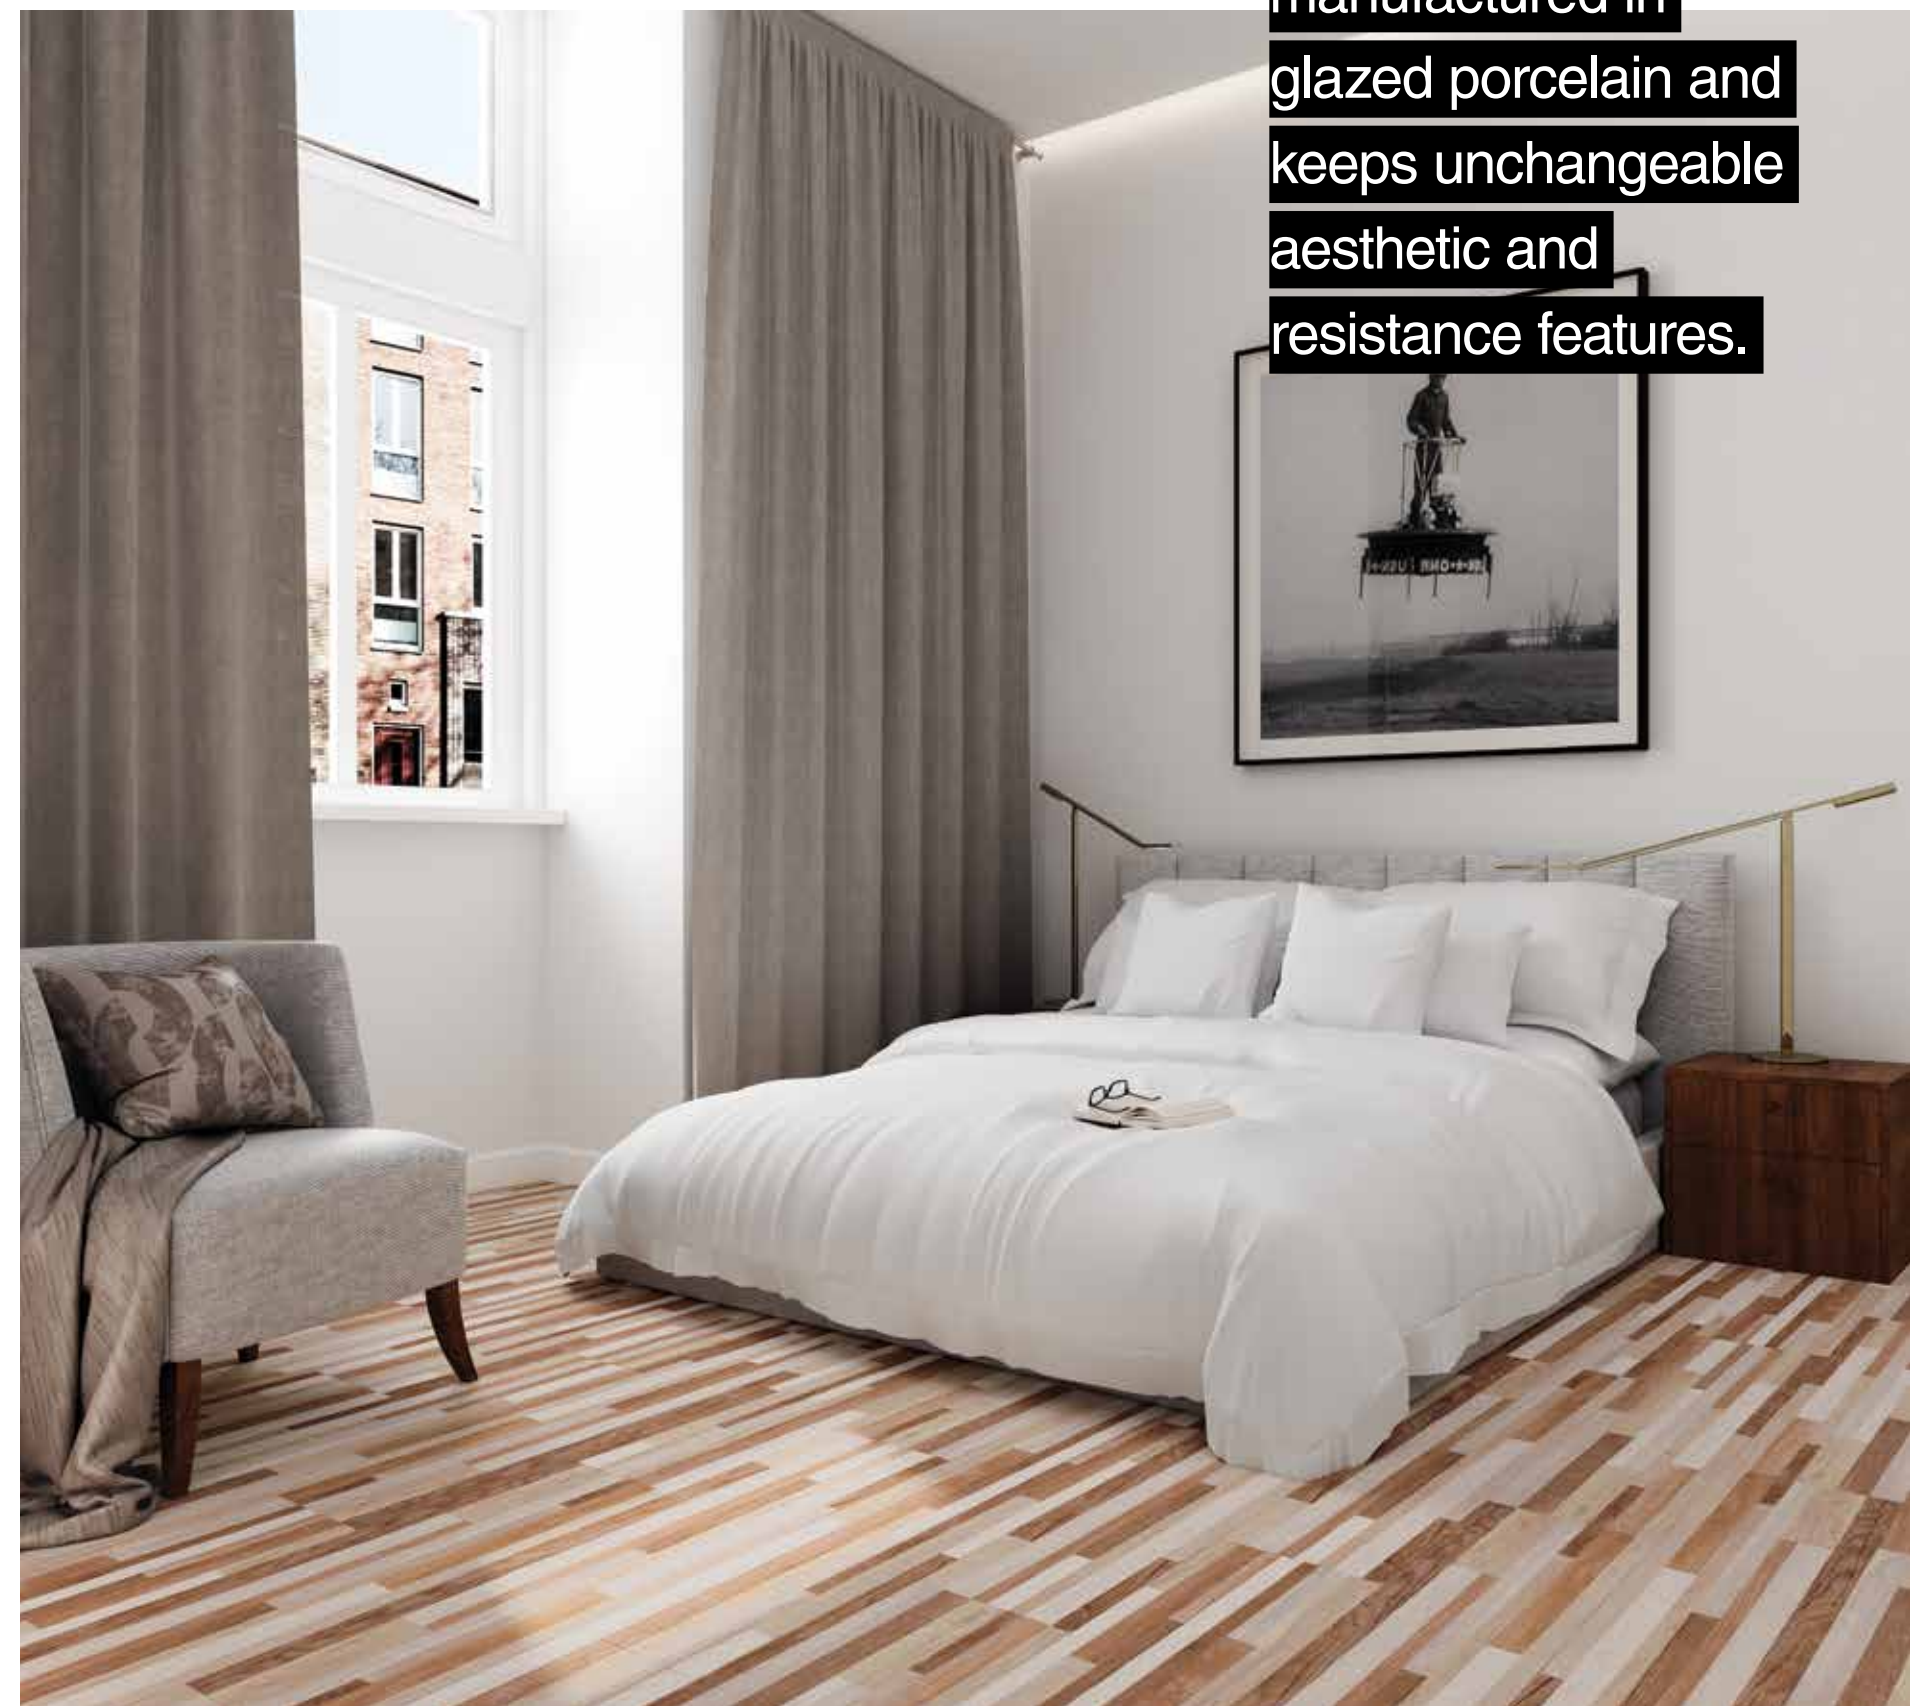

OAK MIX

22,5X90

- 1. Oak Mix Light 22,5x90
- 2. Oak Mix Dark 22,5x90

Obtained with the digital print technology, Oak Mix mimics several small ceramic wood textures and sizes in big planks which gives this flooring solution the utmost refinement and natural effect.

Oak Mix is manufactured in glazed porcelain and keeps unchangeable aesthetic and resistance features.

SHABBY

22,50X90 – 23X120

- 1. Shabby White
- 2. Shabby Grey

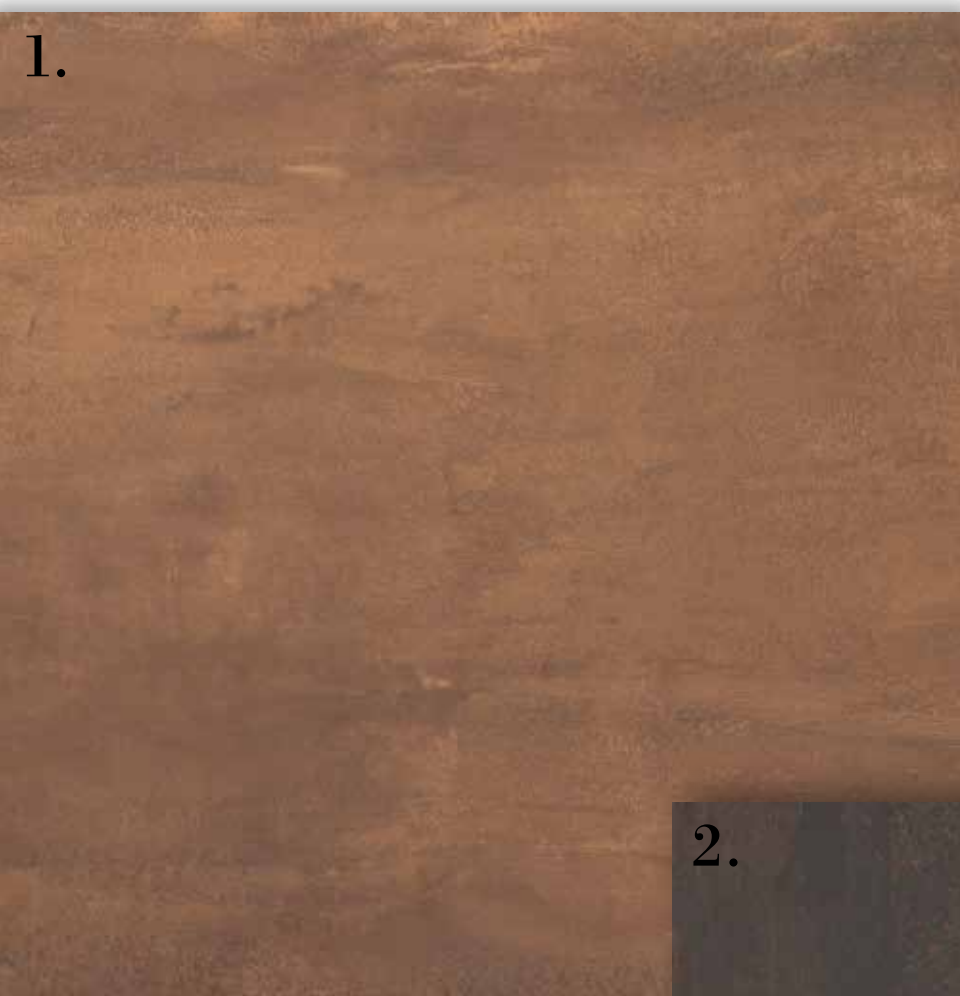

Shabby is manufactured in glazed porcelain in which up to 20 different veined patterns for each colour are produced and mixed keeping unchangeable aesthetic and resistance.

Using real secular timber as canvas capturing the true veining effects in each and every plank to create the natural irregularity of worn wood marked by time giving the floor the utmost refinement and natural effect.

METALLICA

The art of creating and reproducing oxidized perfection in ceramics

- 1. Metallica Oxid 60x60
- 2. Metallica Dark 60x60

60X60

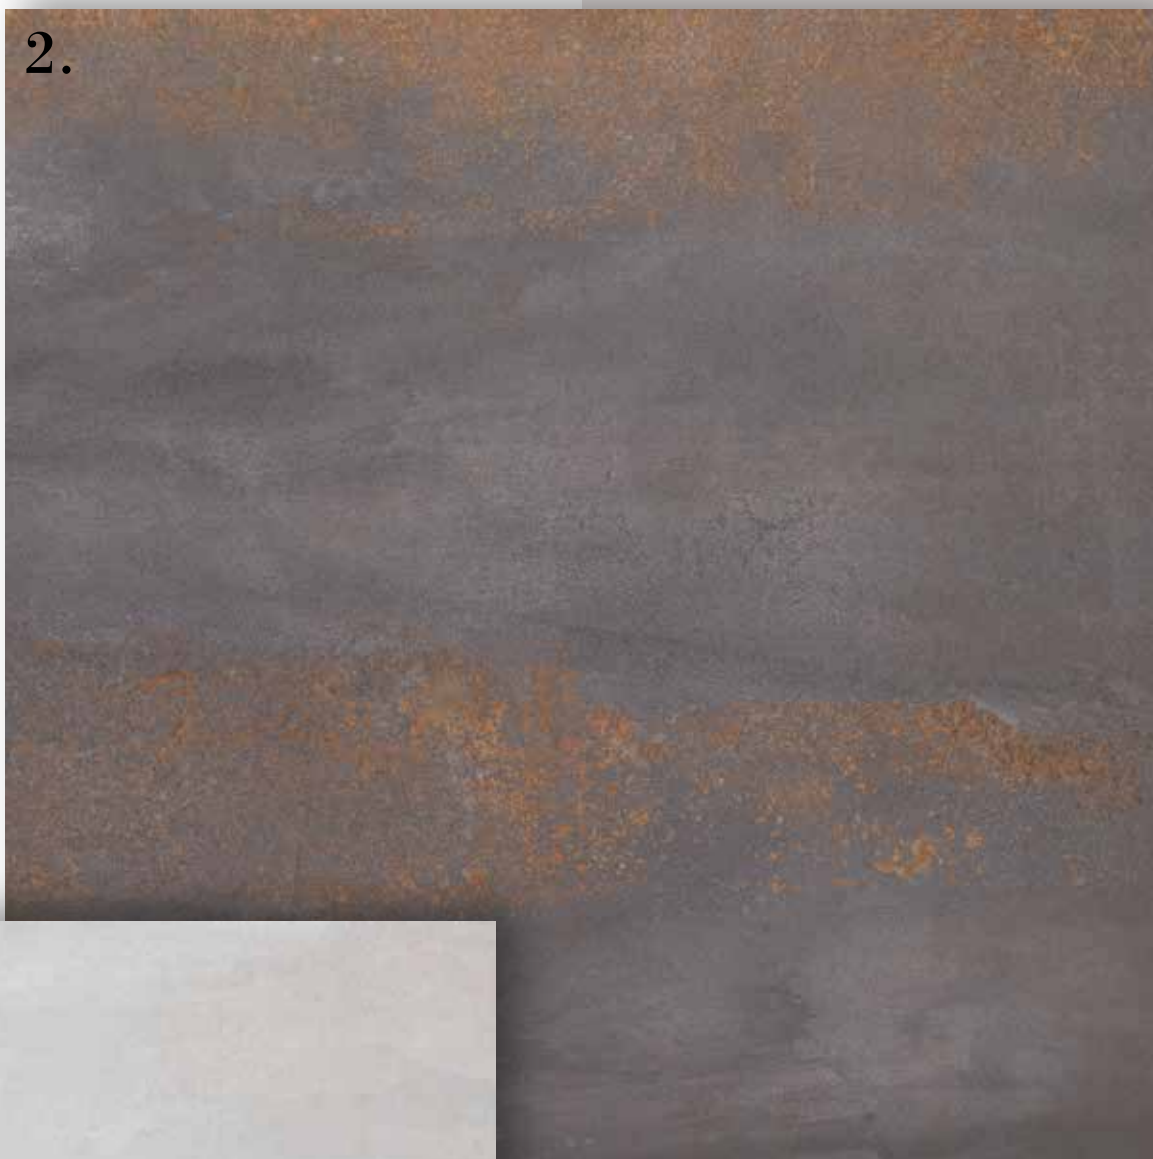

Contemporary elegance is paired with the untamed irreverence of weathering steel with a minimalist sophisticated feel and exclusive simplicity.

METALLICA

60X60

- 1. Metallica White 60x60
- 2. Metallica Titan 60x60
- 3. Metallica Silver 60x60

The shine of metal has always been highly valued for its power of attraction; Everything from delicate pieces of jewellery to the most varied decorative elements, have been bathed in the shimmer of its reflections.

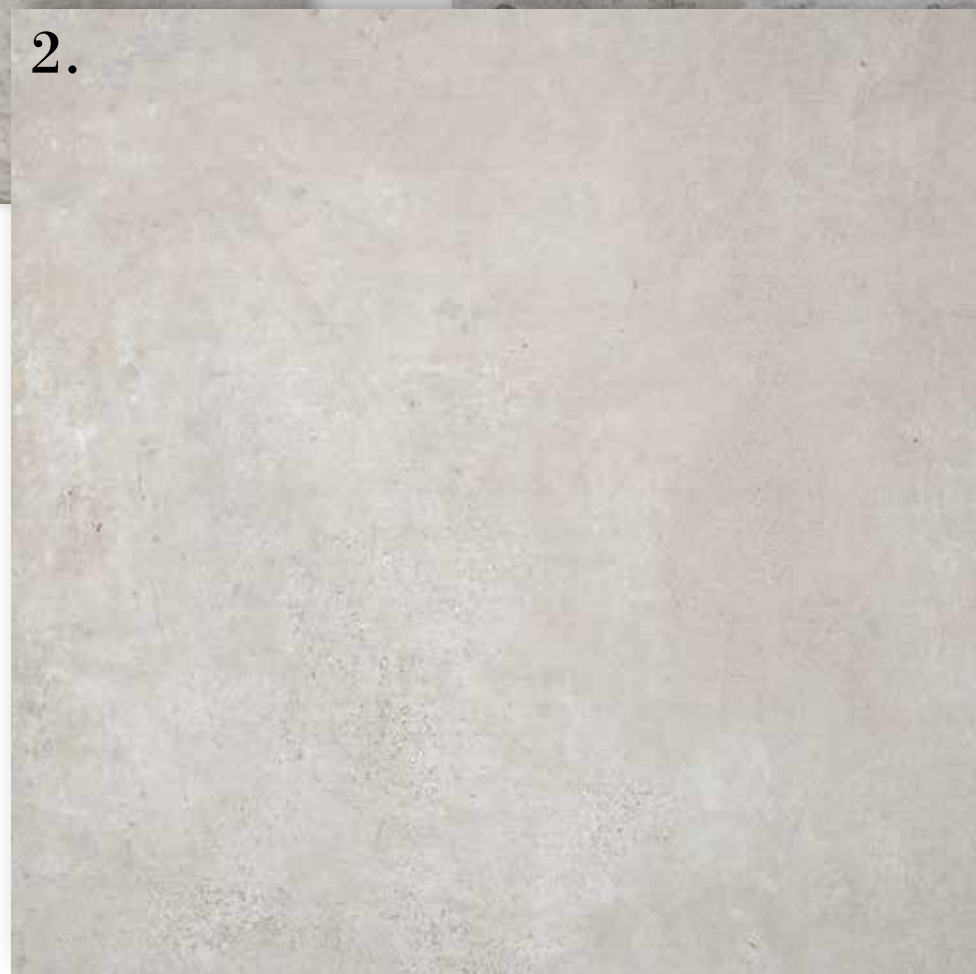

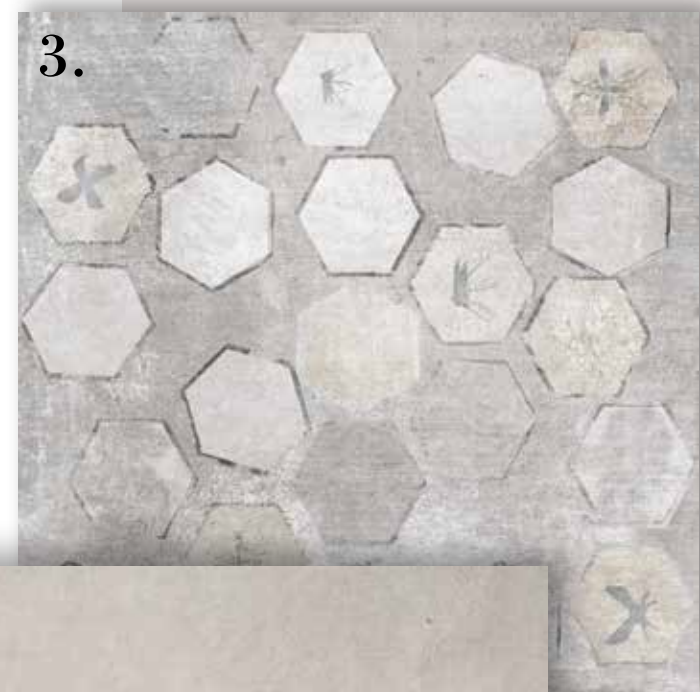

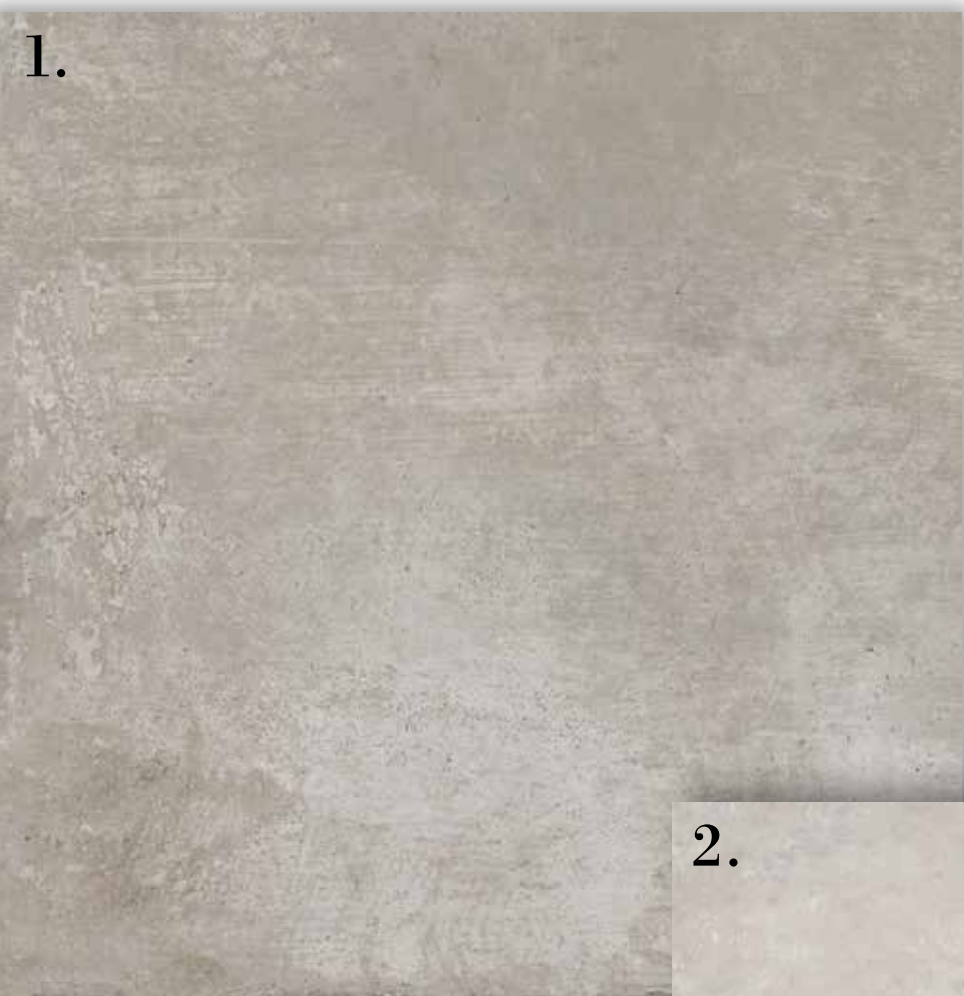

Faithful homage of ceramics to the soul of the metal ageing process through the most advanced ceramic technologies.

Perfect synthesis of
time erosion through
metal in ceramics.

URBAN CONCRETE

60X60 – 30X60

Advanced and refined plastered concrete effect for an urban interior design.

- 1. Urban Concrete Cream 60x60
- 2. Urban Concrete Sand 60x60
- 3. Urban Concrete Decor Bege 60x60

Unusual geometry to create continuous movements, themes and harmonies with a modern and elegant visual musicality.

The research of natural
perfection through the
ceramic surface.

TERRAZZO

A unique product, where natural elements are reinterpreted in a creative way according to contemporary cravings.

Terrazzo is a brand new concept in our natural porcelain stone collection, a modern revisitation of the highly popular floors of the past and a evocation of a classic natural stone from the European alps perfect for both residential and commercial interior design.

A material with a distinctive harmoniously random texture, with pebbles of different colors and size and shade-on-shade hues with a 3D effect.

- 1. Terrazo Grey 60x60
- 2. Terrazo Tortora 60x60

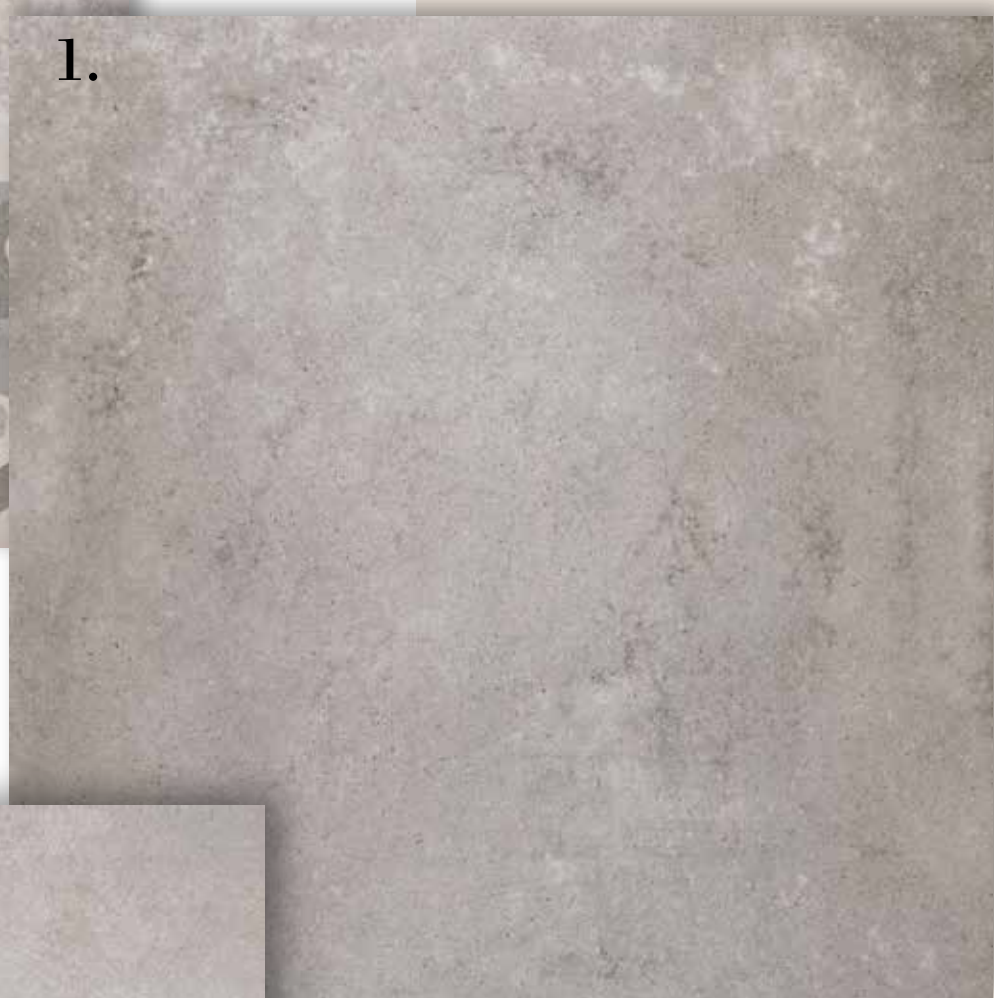

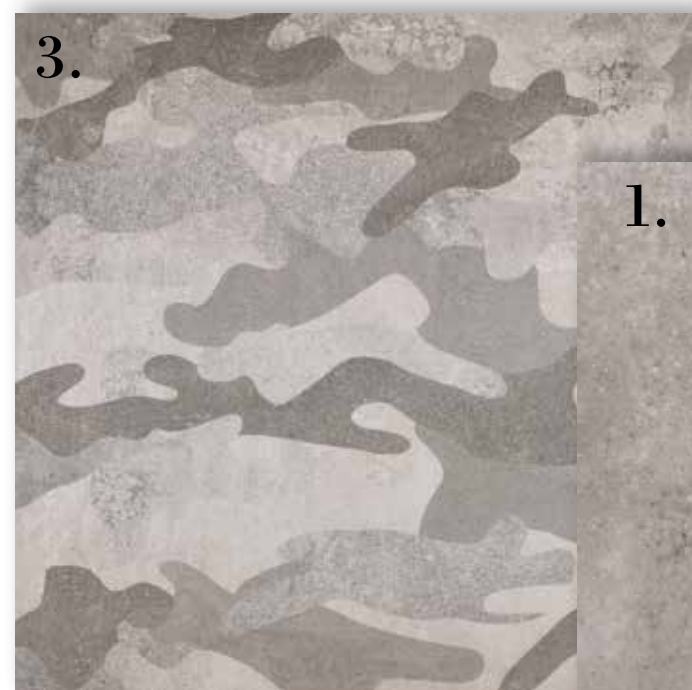

60X60 – 30X60

CEMENTONE

60X60 – 30X60

- 1. Cementone Smoke 60x60
- 2. Cementone Grey 60x60
- 3. Cementone Camou 60x60

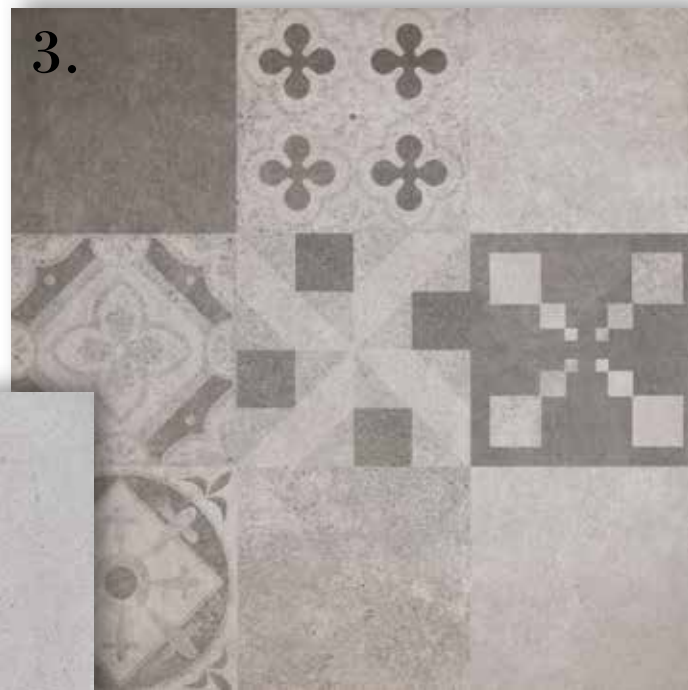

This porcelain floor shows its aesthetic refinement to the taste of contemporary design.

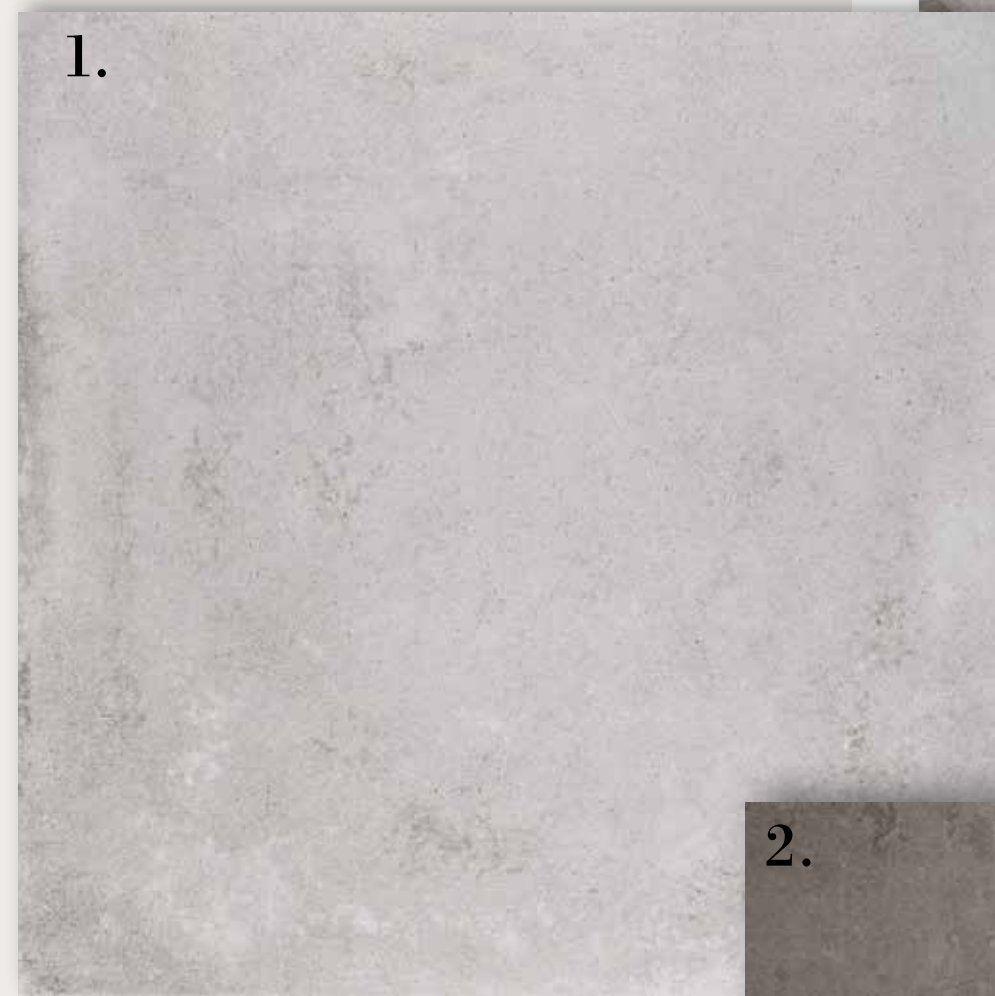

Perfect medley between stone and cement to create a continuous movement and harmony with a modern and elegant visual musicality recalling the past while enacting the present.

CEMENTONE

1.

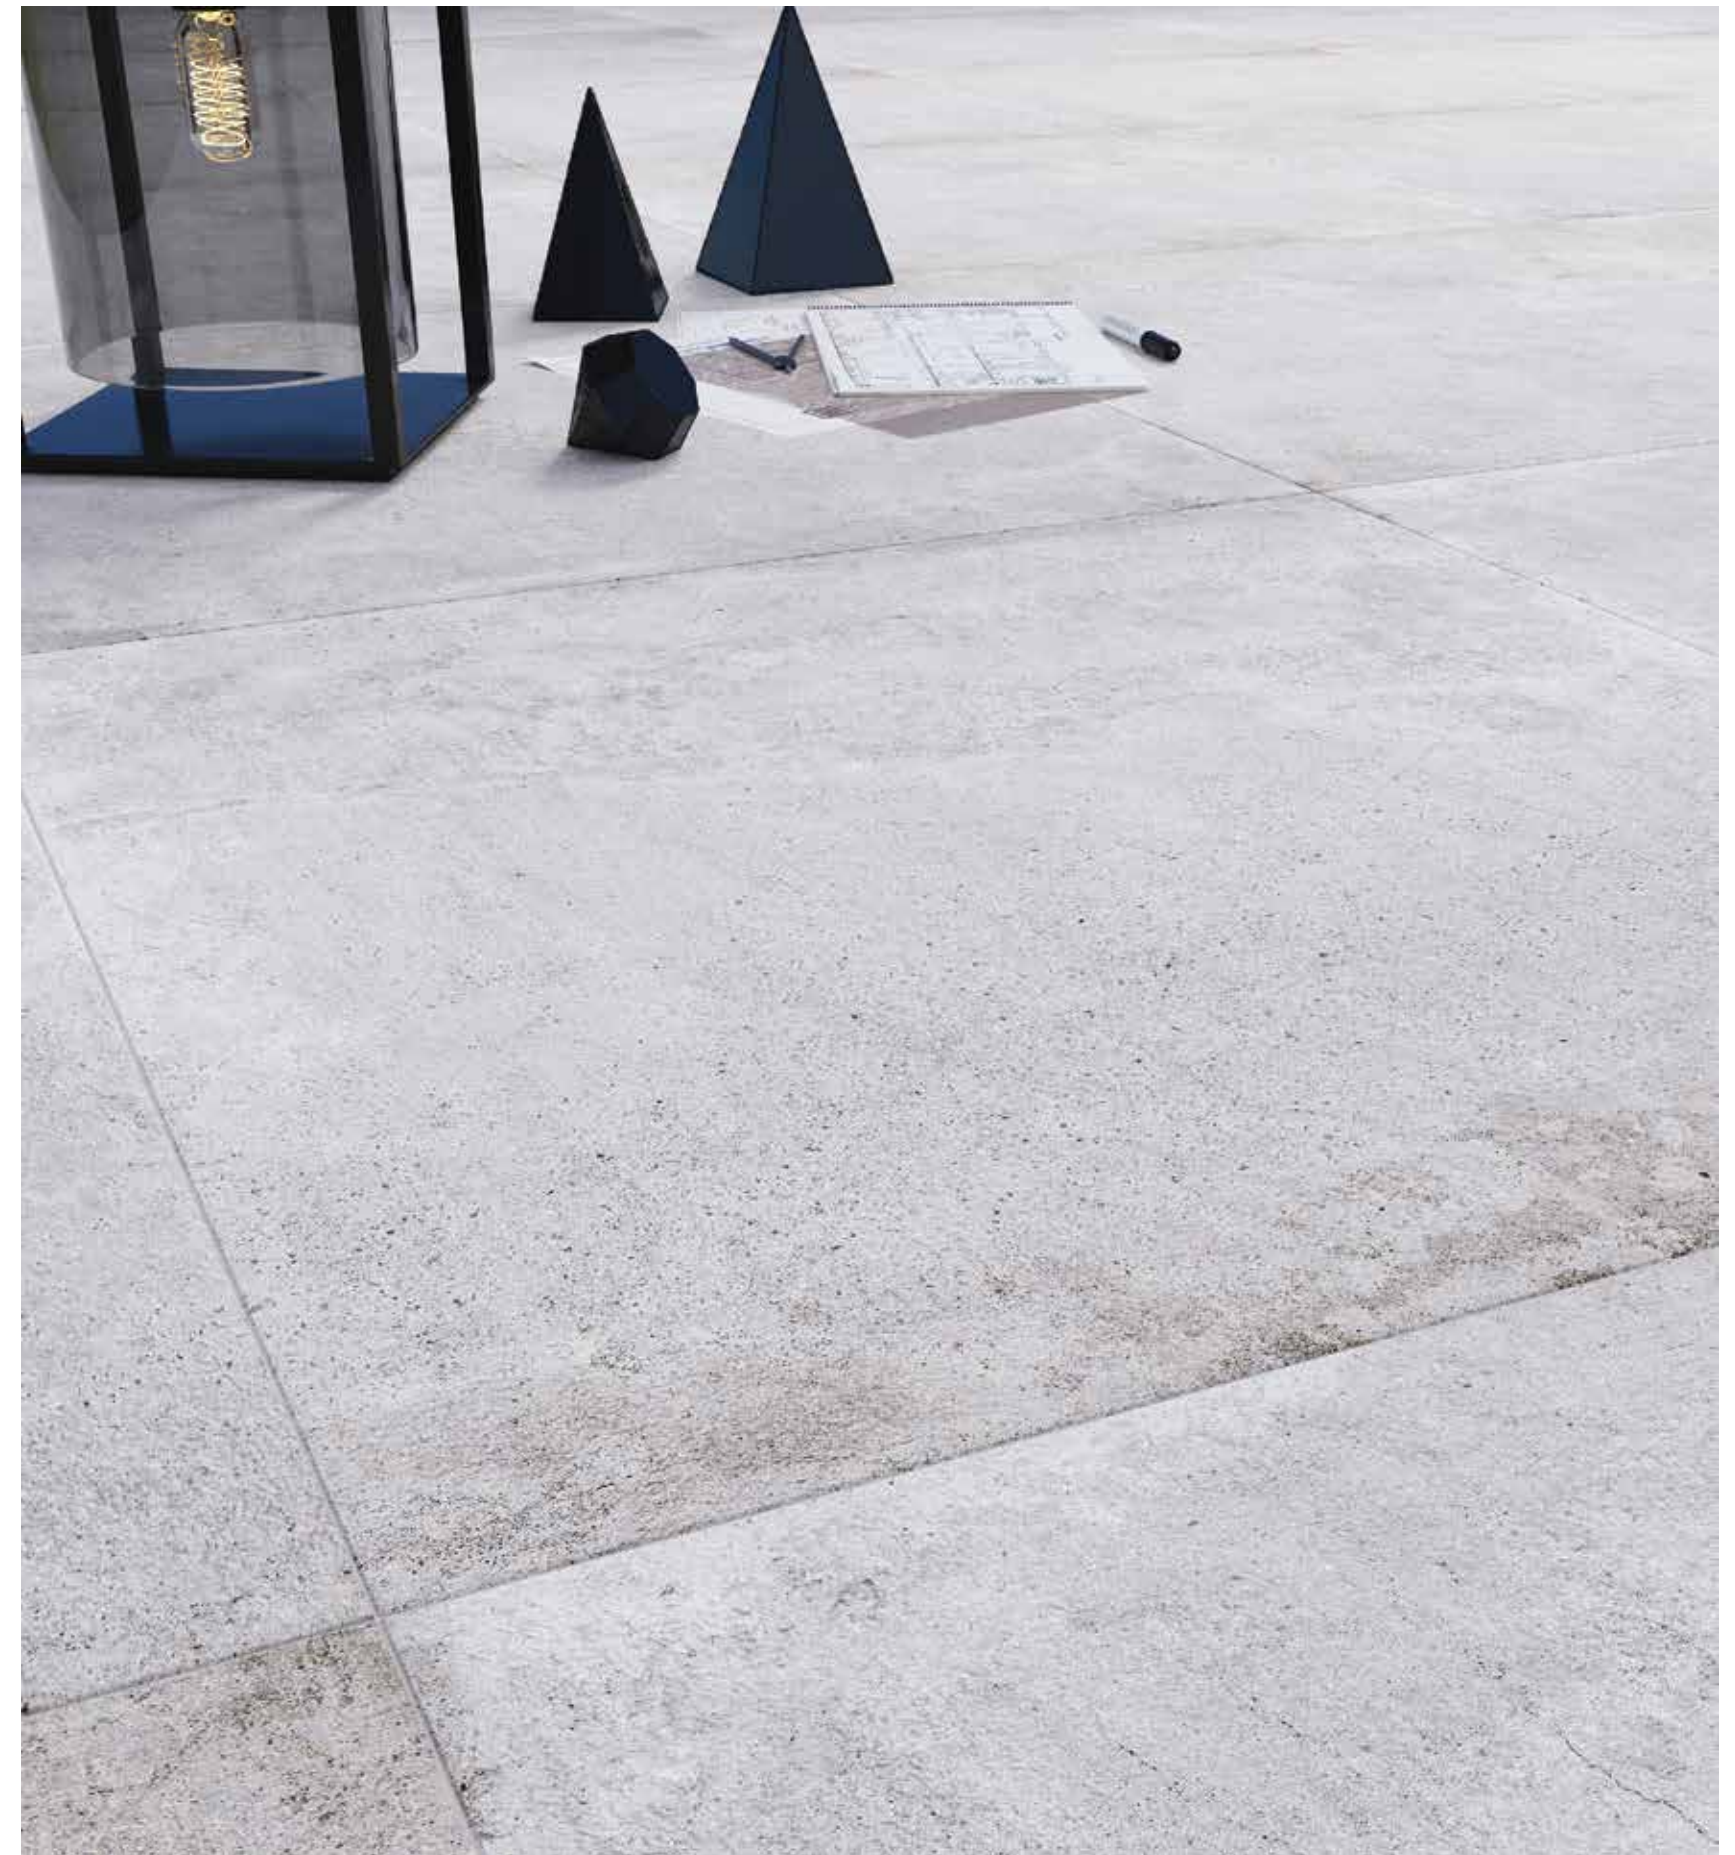

2.

- 1. Cementone Sand 60x60
- 2. Cementone Dark Grey 60x60
- 3. Cementone Hidráulico 60x60

Ideal product for an easy maintenance and technical resistance suitable for domestic and commercial applications.

60X60 – 30X60

MOLEANOS

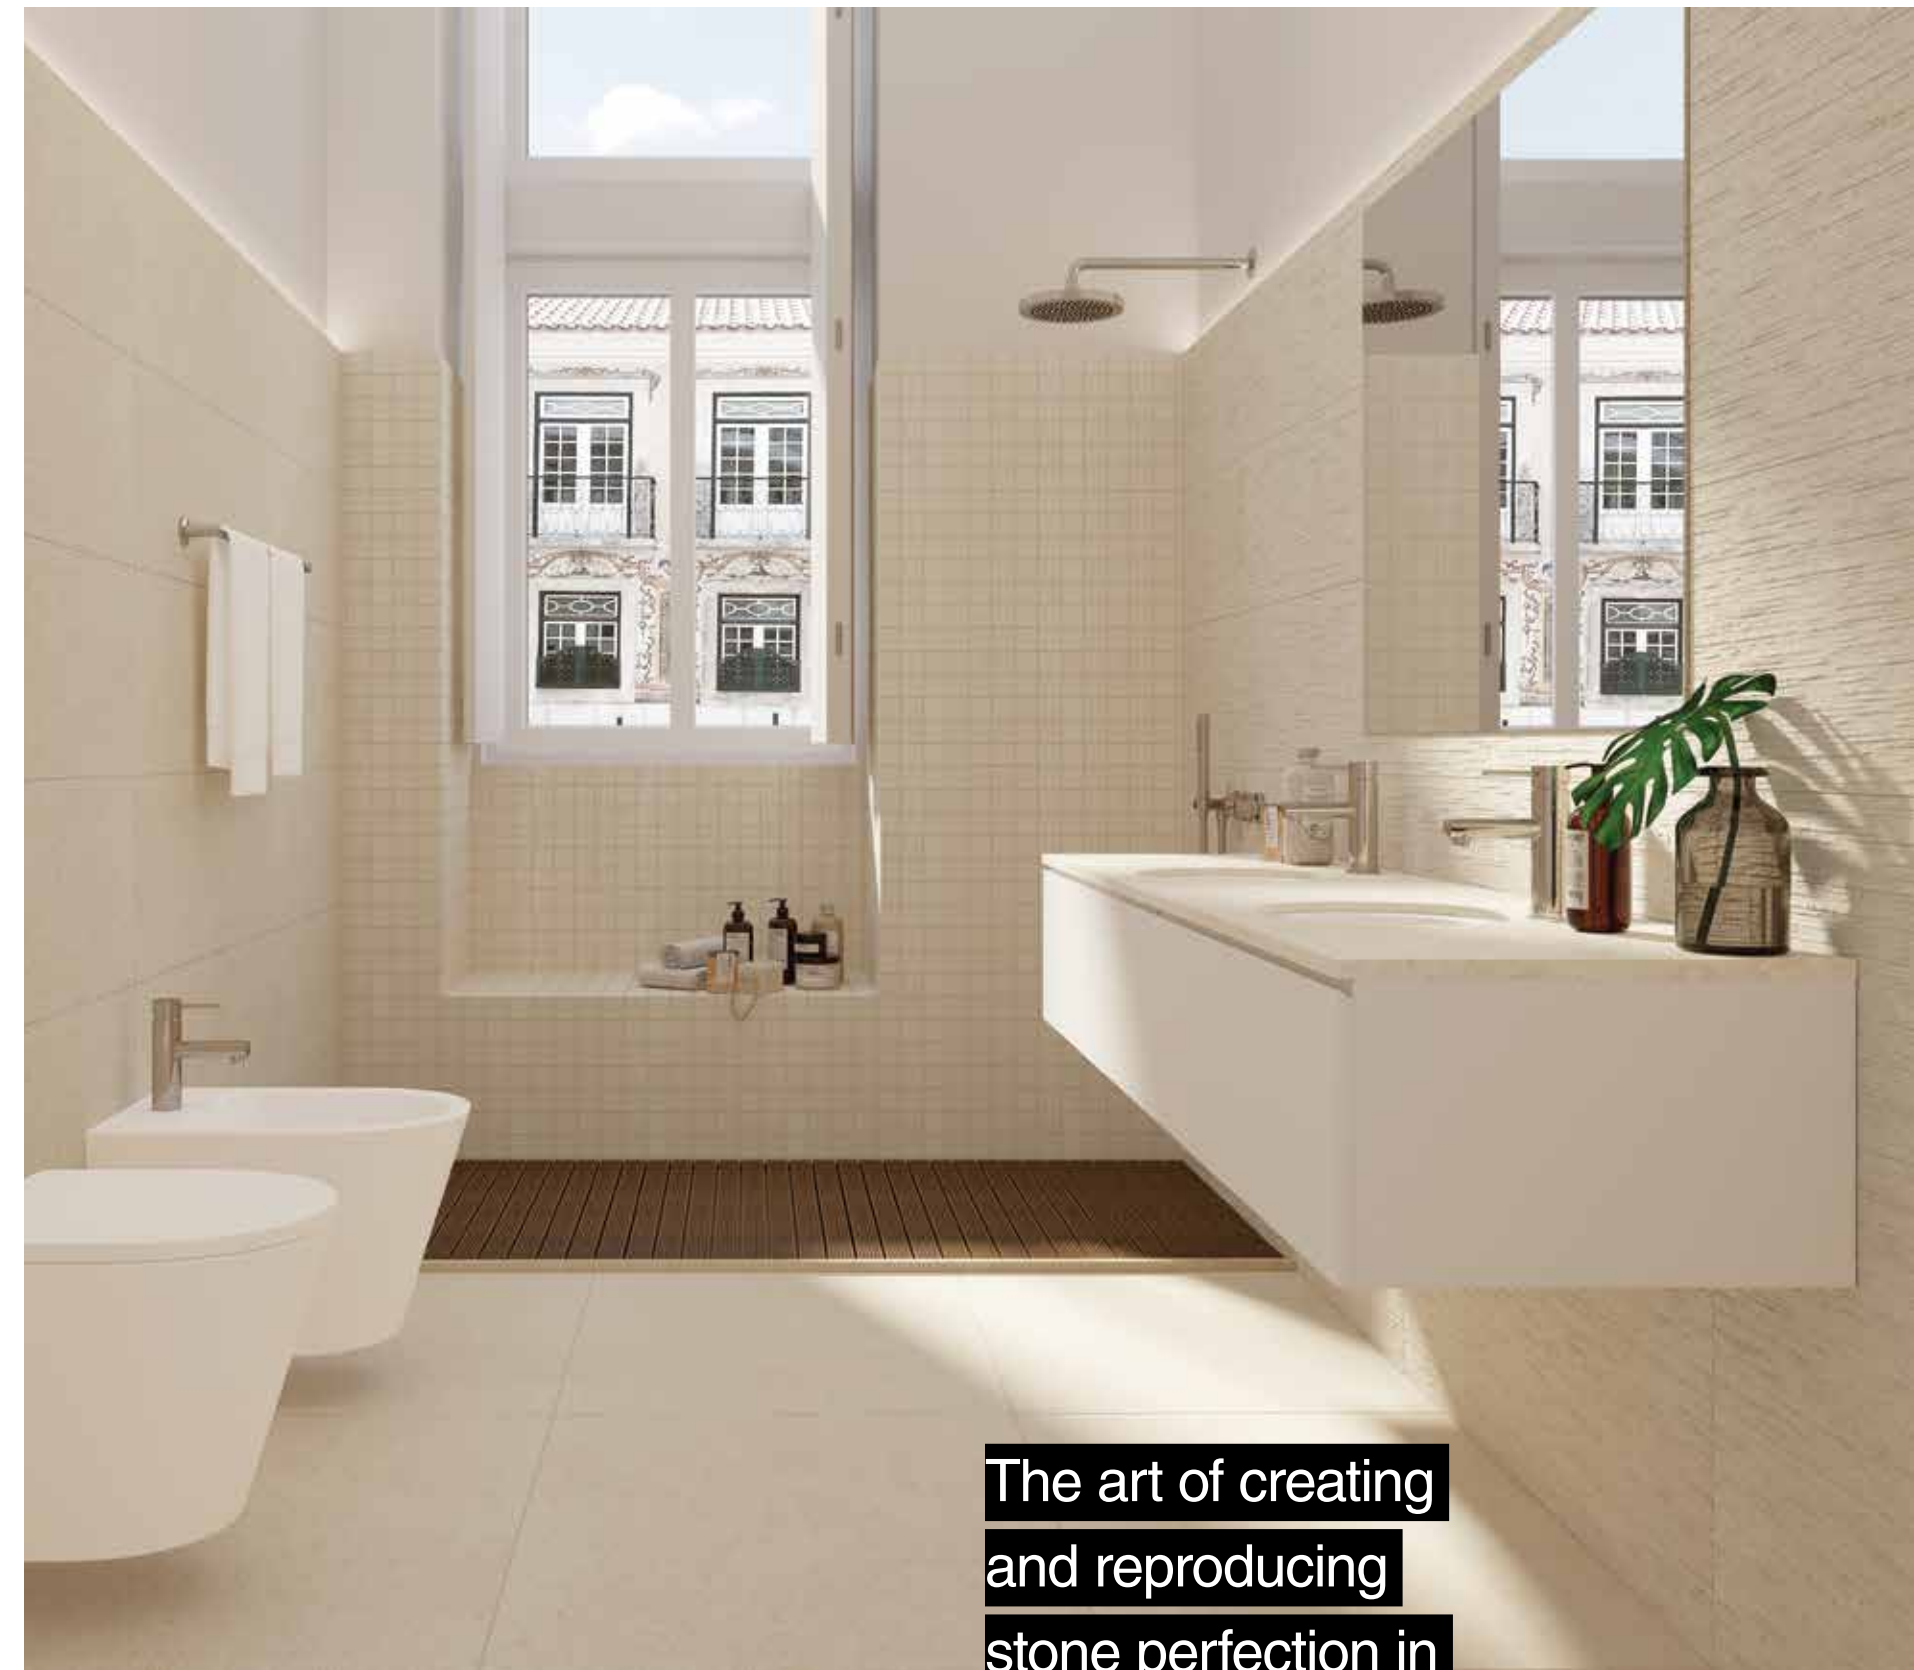

Advanced and refined limestone effect for an urban interior design.

New frontier opens to pattern composition for ceramic tiles, both floor and wall, where the evolution of the tools and digital techniques is interpreted with utmost simplicity.

- 1. Moleanos Grey 60x60
- 2. Moleanos Cream 60x60
- 3. Moleanos White 60x60

PLAYTILE 3.0
Third generation of this collection.

Introducing 9 colours, some of them remake of the previous, others brand new colours on its 10th birthday. Its highest expression is in the multiple colors in homogenous and plain tones and in the interlacing effect of the structural decors.

The basic size 20x50 is contemporary and at the same time functional. It is fit for every room size.
